## INTERNATIONAL SEARCH REPORT

International application No.

Information on patent family members

PCT/SG2004/000382

This Annex lists the known "A" publication level patent family members relating to the patent documents cited in the above-mentioned international search report. The Australian Patent Office is in no way liable for these particulars which are merely given for the purpose of information.

	t Document Cited in Search Report		Patent Family Member
CA	2244549	NONE	
US	2003208477	NONE	
US	2004107210	NONE	

Due to data integration issues this family listing may not include 10 digit Australian applications filed since May 2001.
